### New Business

- **Board Election: Vice President** – Jeremy mentioned that the position for Vice President is open due to the previous board member who held the Vice President office had resigned. Anyone that was interested in the office could nominate themselves or someone else. Jeremy stated that since John works at a local bank, it might be smart to have John hold the position of Treasurer/Secretary making it easier for the board to do transfers or other business at the bank. Dean made a motion to nominate Walt Henes as Vice President. Jimmy seconded the motion. Motion carried. Jimmy made a motion to nominate John as Secretary/Treasurer. Dean seconded the motion. Motion carried.
- **Open District Position Resume Review** – The board received and reviewed nine resumes for the position. The board decided to narrow down the resumes based off those that live within the Pleasant View Fire Protection District, leaving four applicants for the board to choose from. The board discussed as to whether or not interview the applicants. John felt that the board could decide on the position tonight, as they felt that they won't learn much more from interviewing the candidates. Dean and Jeremy agreed. The board decided to discuss the applicants during Executive Session and excused Landan.
- **District By-Laws: Fire Chief Amendment** – Jeremy had received a letter from a current firefighter addressed to the board concerning the requirements to be fire chief. The firefighter felt some of the requirements were too strict and was simply requesting not to make some of the requirements mandatory, but instead a preference. Angela did mention that maybe the board could list the qualifications and certificates such as Firefighter One and Two as preferences but make the rest of the requirements stricter. The board acknowledged that if something were to happen to the fire chief and assistant chief, it would be hard to find a replacement due to such strict requirements. Jeremy agreed with some of the points the firefighter had listed in his letter to the board. Dean suggested adding that if something were to happen to the chief and assistant chief, that the nominated acting fire chief would have up to three years to complete its qualifications. Angela was going to work on the amendment and bring it to the June 16<sup>th</sup> board meeting to be voted on.

### Fire Chief Report

Angela reported that the tanker has been purchased for \$300,000 and should arrive by the end of next week. Dean was able to get free shipping on the tanker. The previous owners also put \$9,000 worth of repairs on the tanker. The district did not have to pay for those repairs.
